

You can find more resources at [Cybersecurity Clarity by Andry](#).

## Newsletter Subscriptions:

My suggestion is that you create another Gmail account purely for cybersecurity education/drive.

<a href="#">AdvisoryWeek</a> <a href="#">We Live Security</a> <a href="#">CSO Online</a> <a href="#">tl;dr sec Newsletter</a> <a href="#">Shift Security Left</a> <a href="#">Unsupervised Learning Community</a> <a href="#">Threatpost</a> <a href="#">Blockchain Threat Intelligence</a> <a href="#">Gov Info Security</a> <a href="#">AWS Security Digest</a> <a href="#">The Hacker News</a> <a href="#">Krebs On Security</a> SANS Internet Storm Center <a href="#">Security Weekly</a> <a href="#">Infosecurity Magazine</a> ISC2 Newsletter <a href="#">Brighttalk</a> <a href="#">Security Magazine</a> <a href="#">Venturebeat</a>	<a href="#">Cyberscoop</a> <a href="#">Bleeping Computer</a> <a href="#">SC Media</a> <a href="#">Cybersecurity Insiders</a> <a href="#">This Week in 4n6</a> <a href="#">SecPro</a> Naked Security <a href="#">API Security Newsletter</a> <a href="#">CyberSecNewsWeekly</a> <a href="#">Zero Day</a> <a href="#">Schneier on Security</a> <a href="#">Hive Five Newsletter</a> <a href="#">Graham Cluley</a> TripWire's State of Security <a href="#">RTCSec</a> <a href="#">Risky Biz</a> Hacker News CISA Newsletter <a href="#">Dark Reading</a> <a href="#">TLDR Information Security Newsletter</a>
---	--

One of the benefits of newsletters is that you sometimes get discounts to certifications or free trainings/events so it's worth the time and effort.

## Join the Cybersecurity community:

## [Cybersecurity Certifications](#)

Note that these are just some of the certifications you can go for, there is a massive list you will be able to find [here](#) which give you the certs you can go for depending on your desired cybersecurity field.

### Top Cybersecurity Companies:

Name	Website	Location	Services
CrowdStrike	<a href="https://crowdstrike.com">crowdstrike.com</a>	Sunnyvale, CA	Endpoint protection, threat intelligence, incident response, and managed detection and response (MDR)
Palo Alto Networks	<a href="https://paloaltonetworks.com">paloaltonetworks.com</a>	Santa Clara, CA	Firewall protection, cloud security, endpoint protection, threat intelligence, and VPN
Cisco	<a href="https://cisco.com">cisco.com</a>	San Jose, CA	Network security, firewall protection, cloud security, threat intelligence, and endpoint protection
Fortinet	<a href="https://fortinet.com">fortinet.com</a>	Sunnyvale, CA	Firewall protection, network security, endpoint protection, and cloud security
Check Point	<a href="https://checkpoint.com">checkpoint.com</a>	San Carlos, CA	Firewall protection, threat prevention, endpoint security, and cloud security
Splunk	<a href="https://splunk.com">splunk.com</a>	San Francisco, CA	Security information and event management (SIEM), threat detection, and incident response
FireEye	<a href="https://fireeye.com">fireeye.com</a>	Milpitas, CA	Threat intelligence, incident response, email security, and endpoint protection
Trend Micro	<a href="https://trendmicro.com">trendmicro.com</a>	Tokyo, Japan	Endpoint protection, cloud security, threat intelligence, and network security
McAfee	<a href="https://mcafee.com">mcafee.com</a>	Santa Clara, CA	Endpoint protection, cloud security, threat intelligence, and network security

You can find more resources at [Cybersecurity Clarity by Andry](#).

Proofpoint	<a href="https://proofpoint.com">proofpoint.com</a>	Sunnyvale, CA	Email security, threat intelligence, cloud security, and digital risk protection
------------	---	---------------	--

## How to find Cybersecurity Conferences

- [InfoSec Conferences](#)
- [Cybersecurity Conferences](#)
- [ISACA Conferences](#)
- [Dark Reading Events](#)
- [SANS Institute Events](#)

For this section, it's best to look up conferences in your general area as chances are, chances are there will probably be some!

### Other Cybersecurity Conferences :

- Yellow is most well known

Name	Dates	Location	Cost
<a href="#">ShmooCon</a>	Jan 19-21, 2024	Washington, D.C.	\$90 (general admission)
<a href="#">RSA Conference</a>	Feb 24-28, 2024	San Francisco, CA	\$1,695 - \$2,295 (early bird)
<a href="#">Infosec World</a>	Mar 18-20, 2024	Orlando, FL	\$1,595 - \$2,195 (early bird)
<a href="#">Gartner Security &amp; Risk Management Summit</a>	June 9 - 11	National Harbor, MD	\$3,000 - \$4,500 (varies by event)
<a href="#">Security 500 Conference</a>	November 18, 2024	Washington, DC	
<a href="#">CISO Summit</a>	June 9 - 11	National Harbor, MD	\$1,000 - \$2,000 (varies by event)
<a href="#">Black Hat USA</a>	Aug 3-8, 2024	Las Vegas, NV	\$2,195 - \$3,795 (early bird)
<a href="#">BSides</a>	August 6 - 7 2024	Various Locations	Free or low cost (varies by event)
<a href="#">DEF CON</a>	Aug 8-11, 2024	Las Vegas, NV	\$300 (pre-registration)
<a href="#">SANS Institute Cybersecurity Summit</a>	Various Dates	Various Locations	\$1,795 - \$2,895 (varies by event)
<a href="#">Cyber Security Summit</a>	Various Dates	Various Locations	\$1,200 - \$2,000 (varies by event)

\* Note that some of these dates and locations may change so please check the websites

## Paid Memberships to consider

[AFCEA International \(AFCEA\) - For Veterans](#)

[ASIS International \(ASIS\)](#)

[Cloud Security Alliance \(CSA\)](#)

[Information Systems Security Association \(ISSA\)](#)

[Institute of Internal Auditors \(IIA\)](#)

[International Association of Privacy Professionals \(IAPP\)](#)

[ISACA](#)

[ISC<sup>2</sup>](#)

[National Defense Industrial Association \(NDIA\)](#)

[Open Web Application Security Project \(OWASP\)](#)

[Security Industry Association \(SIA\)](#)

## Best home Antiviruses for Windows and macOS:

[Avast Free Antivirus](#)

[Bitdefender Antivirus Free Edition](#)

[Sophos Home Free](#)

[Kaspersky Security Cloud Free](#)

[Microsoft Defender Antivirus](#)

[Malwarebytes Free](#)- Note that you need to Manually run this in order to see performance
